It has recently come to my attention from neighbors who live adjacent to the baseball and softball fields at New Hyde Park Memorial High School, that some officials have been observed changing for their officiating assignment in the street. I am writing to ask that, as a courtesy to our neighbors, this practice of preparing for a game not take place on Jasmine Ave. If an official must change for his/her assignment, please ask them to park in the school parking lot and they can utilize the locker room areas of the building to change. I will also be calling all officials every morning of a home contest to inform them of this request.

Thank you in advance for your cooperation and help regarding this matter.
